Career Objective

Aspiring Electrical Engineer seeking the position of Graduate Trainee Engineer where I can apply my technical knowledge, creative problem-solving, and hands-on experience to contribute to energy-efficient and innovative solutions.

Education

B.E. Electrical Engineering
Finolex Academy of Management and Technology, Ratnagiri
University of Mumbai
CGPA 7.39
Expected 2027

H.S.C
P.S.B. College,Khandala
Maharashtra State Board
2023

Internship

PLC & HMI Intern – Industrial Automation, DS Automation (1 Month)
· Worked on PLC and HMI-based industrial automation systems
· Performed real-time hardware wiring of sensors, relays, motors, and PLC I/O modules

Intern – Electrical & Manufacturing Support,
Dhruva Shipping and Consultants Pvt. Ltd. (8 Days)
· Assisted in electrical maintenance and manufacturing support activities

Certification

- IOT Certificate – EDC, IIT Delhi
- Embedded Systems Certificate – EDC, IIT Delhi
- MATLAB OnRamp Certification

Project

►Smart On-Grid Solar Inverter with IoT and Machine Learning
- grid synchronization, ML-based fault prediction, and cloud monitoring; skilled in power electronics, embedded systems, renewable energy, IoT, and intelligent automation.

► Smart Attendance System using Biometric Sensor
- Arduino, ESP32, LCD, biometric sensor; skills in embedded systems, IoT concepts, and classroom automation.

► Logic Gate Kit using NAND Gates
- NAND logic, PCB design, soldering; skills in circuit design, PCB fabrication, and testing.

Skills

- MATLAB Simulink
- PLC & HMI Basics
- Arduino & Raspberry Pi
- Basic PCB Design & Soldering
- Leadership
- Time Management
- Teamwork

Achievements

- 1st Rank - Painting Competition organized by MTDC
- 1st Prize & Patent - for Smart Attendance System using Biometric
- Best Male Volunteer Award- NSS Camp 2025
- Certificate of Contribution(CC) - Painting Competition by Brainwaves, FAMT

Activities

- NSS Leader
- Volunteer for AWIM Local Olympics
- Participated in Brainwaves Robo Competition
- Attended BIS Awareness Program
